

ROUND 4 QUOTES
May 12, 2024

BYEONG HUN AN (-9)

Q. Ben, first of all, talk about your final round. Excellent play, 5 under par today.

BYEONG HUN AN: Yeah, my game felt good all week, the last four days. Hit it pretty solid, I drove the ball really well and that's what you need on this golf course, putted pretty decent this week. Putted actually pretty good, I saved a lot of pars out there, and yesterday. It wasn't playing easy as the scores. I mean, apart from Rory's, it's a pretty tough swing out there. But I'm very happy with my game. I had a shaky start today, but I grinded my way through and I made some birdies on the way in.

Q. Third place finish it looks like. Just talk a little bit about how much confidence that gives you heading into the PGA Championship next week.

BYEONG HUN AN: Yeah, a lot. Every week I feel like my game's there, just needs some looks here and there, make some putts. But putting part definitely showed up this week. I like playing these type of golf courses. It's pretty tough, you've got to grind your way through and you can't really bail out on any of the shots. You know, I had a good finish last week, I've been playing well this season and this third place definitely helps.

Q. With as tough as this golf course is, just put into words what Rory is doing at 19 under par right now.

BYEONG HUN AN: He doesn't count (laughs.) I feel like I shot the best round today. He's, what, 8 under so far today and that's crazy. I mean, I'm currently 10 shots behind him. I don't see how I could have gotten maybe two shots, three shots out of my whole week like if I try to play my best out of it. I don't think I can pull 10 shots from anywhere. That's incredible what he's shooting this week. He's a pretty decent player and he obviously loves this course and the score shows.
