### ROUND 1 QUOTES

June 27, 2024

### NICK DUNLAP ( -5)

---

**Q. I guess how would you say the pro life has gone for the last few months leading into this?**

**NICK DUNLAP:** Great, can't complain. I'm doing what I love and I'm able to make a little money for it, which is nice. Yeah, I'm getting to travel and see all these cool places and hopefully in the fall will be able to get out of the country a little bit and experience that. I haven't been able to do much of that. Yeah, I'm looking forward to that.

**Q. Birdie central for you today. How does it feel to start off on a note like that?**

**NICK DUNLAP:** Yeah, great. I haven't started very well the last couple weeks, so it's nice to kind of -- swing felt really nice today coming out pretty early morning. I drove it great, ironed it nicely. Clean up on some speed work around the greens, but overall very, very impressed with the way I kind of navigated around today.

**Q. What do you like or dislike about courses like this? Everyone calls it an old-fashioned course, but what do you like about the strengths here?**

**NICK DUNLAP:** I just think it's a good golf course. You've got to hit -- I think I only hit two nondrivers today, maybe three. A lot of drivers back to front greens. If you keep it in front of the hole, you can make putts. If you short side yourself, it's going to be tough. It's just pure. I like the bentgrass and it feels good to be out here.
