

ROCKET MORTGAGE CLASSIC

ROUND 1 QUOTES

June 27, 2024

MICHAEL KIM (-7)

Q. Well, Michael, like I just said, heck of a finish, birdied the last three holes to get to 7-under 65. Just a few comments about today, what you felt especially confident with.

MICHAEL KIM: Yeah, I felt better as the round went on. Kind of got off to a scrappy start, you know, couple of drives in the rough, but got up and down for par. Then I kind of got into the groove of things and was able to make some really nice putts for some birdies.

Q. After a round like this, is there anything that you think you want to go out and work on or are you the kind that just wants to stick with what's been working and keep on riding that momentum?

MICHAEL KIM: Definitely stick with what's been working. Like I said, I felt like I got into my groove as the round went on, so just keeping that going for tomorrow.

Q. And I know this sounds like a stupid question given your score today, but what about this course, is it the old traditional style that favors your game that you like a lot?

MICHAEL KIM: I like courses that let me find my ball, not too many hazards, and there's not too many hazards out here so this is the type of course that I like.
