AARON RAI (-6)

Q. Aaron, great start, 6 under-66. Just a few comments about what you felt went right today?

AARON RAI: Yeah, I felt like I drove it well off the tee, which is important any week but very important this week, the rough is pretty thick in areas. The greens are receptive as well, so being able to come off the fairway just gives that little bit of control. Hit some good approach shots, set up a lot of opportunities and felt like I rolled it well, too. Everything felt pretty good. Played the par 5s nicely as well all day. Yeah, really good all-around start, good all-around game as well.

Q. You started on 10, that was a nice stretch from 17 through 5 with I guess five or six birdies right there in that stretch. Probably eased you into a nice comfortable finish?

AARON RAI: Yeah, definitely. Played nicely at the start, starting on 10.
