

ROCKET MORTGAGE CLASSIC

ROUND 2 QUOTES

June 28, 2024

CAM DAVIS (-10)

Q. A better round than yesterday. How difficult is that to do on a course where you know you have to go so low?

CAM DAVIS: Honestly, where my head space has been at, I wasn't thinking too much at all, I was just doing may stuff. Yeah, it's just nice to see a couple of putts go in from a bit of distance away. Playing the par 5s well obviously helps out here because they are reachable. So yeah, honestly, just last two days I built my scores and today I had one or two less mistakes that turned into one or two shots better. Yeah, playing pretty much the same, which is nice. It's a nice trajectory to be on.

Q. The ability to play in like a stable head space like that, where does that come from? Is that your style or is that being comfortable here?

CAM DAVIS: It's a lot of hard work. It does help being comfortable here. Obviously having what I know what game plan does work around here, so that's a mystery that I don't have to deal with that you have to most other events, every other event for me, but from there it's kind of going about your business and not trying to force it to happen. It's been a lot of hard work to get myself back to a space where I can let the good golf come again. It's nice to see that it's some good scores being on the board now.

Q. When you're out there, how often do you think about the tournament that you won and the moments from that tournament?

CAM DAVIS: I do practice rounds, I still go around and think, oh, this is where I hit a great shot and this is where I won it and this is where I holed something. Once the tournament starts, it's so different, yeah, you don't really start thinking about that unless someone points it out to you. No, I've done my appreciation back early in the week and it's get back to business and yeah, try and enjoy the journey again.

Q. You can count on us to bring out that win, right? Your group has been a popular one the last two days. How fun is it to come back a place where you've won and play next to someone like Rickie and like Will?

CAM DAVIS: It was a lot of fun. I can't say I've had a lot of people watching my first and second rounds lately, so it was nice to be in that environment. They both were playing great as well. Today didn't go quite as well as yesterday for them, but obviously they would bring crowds and I appreciated being in that environment. It felt like a weekend for me being in

contention. The better you play, I guess the more of that environment you get and I really enjoy it. Yeah, I'm going to keep doing what I'm doing to try and keep that happening.
