

ROCKET MORTGAGE CLASSIC

ROUND 2 QUOTES

June 28, 2024

MIN WOO LEE (-8)

Q. Good round today, 4-under 68, only hiccup of the day you followed with a birdie at the last hole. Just a few thoughts on today.

MIN WOO LEE: Yeah, it was solid, lots of good golf. Obviously Akshay and I are playing pretty good, which was nice. Obviously got to chase him this weekend. But no, game's trending nicely. Again, hiccup, but good bounce-back on the last.

Q. And you mentioned Akshay. When you get a guy like him who's playing as well as you are, are you able to kind of play off of each other?

MIN WOO LEE: Yeah, yeah, I mean, we're good friends. I mean, it's funny, when we talk I feel like I'm his age and I was his age like last year, but I'm three, four years older than him. Feels weird, but I guess I'm getting a little older. Yeah, it's nice to have a friend when you play with a friend. Also Steven's a very nice guy. We all just chatted. Yeah, we kind of fed off each other, which is great.

Q. Going into the weekend, are you happy with where the game is? Are you going to do anything different, work on anything?

MIN WOO LEE: No, I think everything's pretty good. I don't think there's much wrong right now, I think I'm doing everything well. Just don't make doubles, we'll be all good.

Q. And just thoughts on the course and how it obviously suits your game well?

MIN WOO LEE: Yeah, it's nice, especially when I'm driving it well, it makes a lot of birdie opportunities. I think I'm doing pretty well on the par 5s and that's probably where most of my scoring is. So yeah, it's soft enough where you can be pretty aggressive as well, which is great, and yeah, it's fun. It's a great course, I like it.
