

## ROCKET MORTGAGE CLASSIC

### ROUND 2 QUOTES

June 28, 2024

### TAYLOR MONTGOMERY (-11)

---

**Q. Taylor, good playing, 4-under 68. How did today's round compare to yesterday?**

**TAYLOR MONTGOMERY:** It wasn't as good. I scored well today, which was nice. I chipped good and made a few putts towards the end, hit a couple good iron shots, but the first -- most holes are just kind of (inaudible) it around, but I scored really well, which is nice. It's nice to at least keep the driver in play. Not swinging very hard at it right now, but I'm at least advancing it forward.

**Q. I think 9 under on the back nine. What about those holes in particular are working well for you or is it just a coincidence?**

**TAYLOR MONTGOMERY:** I don't know, just a coincidence. I mean, the wind was nice today on the par 5s downwind, but then yesterday we had 10, 11, 12 down wind in the morning, which helped. So I don't know, just a coincidence. I've wedged it pretty nicely on the back nine yesterday and today I just made three putts that, I mean, if I don't make those, I think I shot like even or 1 under on the back. But it was nice to -- nice to make those.

**Q. And being rest of the day off, unsure about what the weather's going to look like tomorrow, how do you keep your mind away from golf when you're not here and what are you going to do the rest of the day?**

**TAYLOR MONTGOMERY:** Normally I have a tough time keeping my mind away from golf, it's just something I always think about. I'll probably do some chipping and putting later on this afternoon, go have lunch and maybe hit a couple and see how tomorrow goes.
