

## ROCKET MORTGAGE CLASSIC

### ROUND 2 QUOTES

June 28, 2024

### CAMERON YOUNG (-11)

---

**Q. Cameron, fifth straight round 67 or better. Is everything clicking for you right now?**

**CAMERON YOUNG:** Yeah. Honestly, I don't feel like I'm playing that different to when I shot about 11 straight of 74 or higher. Golf's just a funny game. I feel like I hit some mediocre shots today and really got away with them for the most part. I've hit a lot of good ones, too, but I feel like when it's going well, stuff like kind of chunking a 5-iron on 17 ends somewhere you can chip it close, and when it's going bad, that's on a hole where that one punishes you. I think I'm playing a little bit better than I was and things are starting to turn around a little bit.

I didn't make a ton today. I made a couple early, but I just didn't have a ton of great chances on the back nine, so hopefully tomorrow I'll do a little better job of that.

**Q. I was reading the longest putt you made on a par 5 was three feet three inches, just taking really good advantage of those holes making birdie on all four. How important is that?**

**CAMERON YOUNG:** Yeah, it's a big part of scoring out here. Yesterday I could only reach 2, today I could reach 4 and then I think I hit 5-iron into the other three. That's one of your major scoring opportunities and I really, I feel like those I just did what I was supposed to. Hitting the green with 3-wood on 4 is not a guarantee at all, I hit that really well, but the other two hitting in the middle of the green with 5-iron is just kind of where you should hit it. I was happy three times I was able to execute the second shot and kind of got away with the one on 17 and hit a really nice pitch.

**Q. Lastly, runner-up on your only other appearance here. How confident do you feel on this golf course?**

**CAMERON YOUNG:** Yeah, I think it suits me well. It's comfortable to my eye, the grasses are very comfortable for me. It's a nice spot and I enjoy the golf course out here. It's one you can be aggressive and I think it's a lot of fun to play, so I'm very comfortable. Yeah, I know Akshay's playing some really good golf and there's a bunch of other guys 10 or 11 under. I think it's going to take two more probably at least as well as I've done so far and that's going to take a lot of good golf, so we'll see.
