

ROCKET MORTGAGE CLASSIC

ROUND 3 QUOTES

June 29, 2024

JOEL DAHMEN (-14)

Q. Heck of a round today. How are you feeling here in Detroit?

JOEL DAHMEN: I love Detroit, it's a great sports city. Unfortunately the weather didn't cooperate too well today, but the fans are still hanging around, which is great. Happy to be back. I think this is year four for me and first time I really played well, so this is fun.

Q. After your round today, how are you feeling heading into championship Sunday now?

JOEL DAHMEN: I feel good. I hit it great today. I missed a few short putts out there, greens aren't perfect after all that rain. Yeah, I'm excited. I'm going to get some rest, wake up with my little man tomorrow morning and go out and try again.

Q. What's the mindset what you saw today, what you want to do tomorrow?

JOEL DAHMEN: I'm going to try not to change anything. I got off to a quick start. Kind of had a lull in the middle. I'm going to try to keep the momentum going tomorrow. Hopefully I can get off to a fast start and I can make this fun.
