ROCKET MORTGAGE CLASSIC

ROUND 3 QUOTES
June 29, 2024

ROCKET
Mortgage Classic

MIN WOO LEE   (-14)

Q. Just thoughts on the round, especially the finish there with birdies on three of the last looks like five holes?

MIN WOO LEE: Yeah, very slow start, felt like I was way behind, but my caddie and I had a game plan of if we make one, we're probably going to make a few. We went out there and started very slow, but made a few more birdies and yeah, ended up being a really good round.

Q. With the delays, everything this morning, has this felt like a never-ending day or has it gone by pretty quickly?

MIN WOO LEE: I think I was at a good time where I woke up and I saw the delay already and I went back to sleep, so it wasn't too bad. These things happen. And the greenskeepers are doing the best they can to get the course in condition where we can play. They did that and happy to come out here and post a score.

Q. Did you do anything this morning that you wouldn't normally have done with tee times getting pushed back and everything?

MIN WOO LEE: No. Again, we're kind of used to it. I feel like there's been a lot of delays over the last few months. Kind of just learn from it. I don't really do much before the round, just kept it pretty simple.

Q. Just thoughts on maybe how the course maybe changed in terms of the way it played with all the rain this morning?

MIN WOO LEE: Yeah, the course, there's no run, the ball just plugs a few meters or a feet from where you did land it. I guess it played a little longer. The biggest factor was the wind. I mean, we've been playing in pretty calm conditions the last two days and today was like a hurricane, felt like a hurricane. It was good to play a variety of shots when you needed to and yeah, I guess it's -- it was fun.

Q. In contention going into tomorrow, what's the thing you're looking forward to the most?

MIN WOO LEE: Again, just putting myself in that position and hopefully I can make a few more birdies. It's a course where you can go low, so yeah, just go out there and try to hit it

and putt as good as I can.
