

## ROCKET MORTGAGE CLASSIC

### ROUND 4 QUOTES

June 30, 2024

### CAM DAVIS (-18)

---

**Q. Cam, you're looking a little shocked by this as it's sinking in. What's going through your mind as you just won for the second time on the PGA TOUR?**

**CAM DAVIS:** I don't know what to say. Oh, sorry. Yeah, from where I was a couple of weeks ago to today, just completely different person. This is a little emotional actually. I wouldn't wish what happened to Akshay on anyone, but I've done a lot of grinding to kind of get myself out of a hole and just all of a sudden to do that, it's pretty good.

**Q. You and I talked about it yesterday, the frustration and how difficult it can be to get into that head space to let good golf come to you. What head space are you in that has allowed this great golf to come back?**

**CAM DAVIS:** I mean, I started working with a hypnotherapist a few weeks ago just to take another angle into trying to get myself sorted out and Grace has done an awesome job. I've got so many people behind me that help me along the way. Brett was on the team as well. Ralph, Andrew, just everyone, like I had a lot of support to kind of get me out of the doldrums there. I saw a little bit of a spark last week, but nothing to show this coming. This is crazy.

**Q. It takes a village. Congratulations.**
