

ROUND 1 QUOTES
July 11, 2024

ALEX GOFF (-3)

Q. Alex, if we can get some comments on your start today.

ALEX GOFF: Yeah, it was solid. There were definitely some nerves to start. I had a really nice start, 4 under through seven, then the driver kind of left me a little bit. That's definitely what I need to improve upon. Go hit some balls and figure that out. It was solid. If I can hit more fairways tomorrow, I think I'll play well.

Q. How important was it -- with those back-to-back bogeys, how important was it to bounce back from that?

ALEX GOFF: Honestly, they kind of calmed me down a little bit. I was still a little amped up, then we're good, got those out of the way and I was a lot more calm on the front nine. I missed a few opportunities on the front, but it was nice to have a clean card on the front nine and get it in.

Q. So what's the game plan this afternoon? Will you go out and work on a few things?

ALEX GOFF: Yeah, I need to drive it better so I'll hit some drivers on the range, hit a few putts, but besides that, just get some rest and get ready for tomorrow afternoon.
