RICO HOEY (-14)

Q. Here with Rico Hoey, who's put himself in really good position going into the weekend. You started playing well at Rocket Mortgage a couple weeks ago, played well at John Deere, now playing well here. What clicked for you?

RICO HOEY: You know, I think the hard work I've been putting in throughout this year, I feel like it hasn't really been clicking but I've been sticking to the game plan and my routine. With my coach Ross Fisher and Brian Martin on the bag, they've just been telling me positive things. Rocket Mortgage was the kickstart and I feel like I'm just kind of riding that momentum.

Q. Is it hard on a week like this when you come in knowing that it's going to be offensive golf, or does it help you that you've been playing offensive golf really the last two weeks?

RICO HOEY: It's kind of a mix of both. You kind of see up on the leaderboard everyone's making birdies, so for me I feel like I've got to go out there and step it up. My caddie, Brian, just told me go out there and just keep executing. There's times where you're going to keep parring out there, but don't let it discourage you, let it happen and you're going to catch on fire, so that's what I did.
