

**ROUND 2 QUOTES**  
July 12, 2024

**JOHANNES VEERMAN (-13)**

**Q. Johannes, in with a 65, must be pretty happy following a 66 yesterday.**

**JOHANNES VEERMAN:** Yeah, it's great. Made a nice put on the last hole to really cap off a great day. Sometimes when you start off, you know, 6 under yesterday, sometimes it's hard to kind of keep it rolling a little bit, but today was bogey free, which really gets me going. So yeah, really happy with how I played today.

**Q. Yeah, you mentioned the last hole, you actually finished birdie-birdie. We talked to you earlier in the week and you said you had to do something special this week to sort of get your season progressing and it seems like you're on top of that right now.**

**JOHANNES VEERMAN:** Yeah, so far. I'm halfway through, just got to kind of keep going with it, yeah.

**Q. What did you do particularly well today? Was it ball-striking, putting or was it a combination of everything?**

**JOHANNES VEERMAN:** Yeah, today was a combination of everything. Every time I missed the green I hit my chip or bunker shot to about tap-in. I didn't really hit any wild shots, just managed my game really, really, really well. Got a couple good breaks and then I think at the end of the day you always have to putt well to shoot 65 and I putted great.

**Q. This is your lowest round on the PGA TOUR. I know you've only played here seven or eight times but this is your lowest round. When you get a round like that going where you're bogey free and you've got birdies and coming to the end, does your mindset change a little bit or do you just keep like pulling to go deeper and deeper?**

**JOHANNES VEERMAN:** It changes a little bit maybe in the sense that you feel like it's kind of going your way and you have momentum, but for the most part you are just trying to hit the next shot and trying to hit -- because yeah, I didn't see myself birdieing 9, you know what I mean, but it just kind of went my way essentially. So I guess maybe just play with a little more self belief that it might just go your way.

**Q. When you started today obviously 11 under was leading yesterday and you've now got to 13. Where do you think this will sit at the end of the day or did you have a number in mind at the start?**

**JOHANNES VEERMAN:** I did not have a number in mind. I would imagine I would be in the top-5, 6, 7? I don't know. Everybody's taking it pretty deep, so yeah, maybe around top-5 or

so, we'll see.

**Q. What's the thing you look forward to most this weekend?**

**JOHANNES VEERMAN:** Just playing more golf. I mean, I got a nice chance. Me and my caddie, we're pretty excited. Yeah, just play more golf on the PGA TOUR.
