

ROUND 4 QUOTES
July 14, 2024

ZAC BLAIR (-22, lost 1st playoff hole)

Q. Finished about a couple hours ahead. What did you do while you were waiting around and were you surprised to get in the playoff?

ZAC BLAIR: Yeah, we were like halfway to Cincinnati, yeah. We were watching the coverage and kind of figured we better turn around.

Q. When did you make that decision?

ZAC BLAIR: I think when that last group was on 15 and they were still on -- they were like 22 and 23 under.

Q. How far did you get? How many minutes did you have to drive back basically?

ZAC BLAIR: Like 40 minutes.

Q. So when you got back, did you just hit the range for a little bit?

ZAC BLAIR: Yeah, yeah, we watched them come in and watched the rest of the groups finish and hit a couple balls and a couple putts.

Q. Were you kind of surprised?

ZAC BLAIR: Yeah. I mean, yes and no, you know. It was kind of -- everybody's kind of trying to win for the first time, so that's always tough. Then the course gets tougher, the wind picks up.

Yeah, it was surprising. We kind of thought maybe 23 would have a chance. There was just so many people at 22.

Q. Does this give you a bit of confidence going forward?

ZAC BLAIR: Yeah, yeah, for sure. I've been playing good most of the year. Just got to keep doing that and do a little better.
