

## ROUND 4 QUOTES

July 14, 2024

**Y.E. YANG ( -9)**

**Q. Just to start, thoughts on today's round and how well you played?**

**Y.E. YANG:** The second hole, par 5, I made a birdie. Second hole birdie and today very comfortable setting. And then today little difficult feeling, but not much windy but a little windy. Yesterday is more easy, but today is the last day and a little windy. Today just one shot, one shot, keep going and playing good. I think finish two holes is not good, but today is good.

**Q. Were you pleased with your week overall?**

**Y.E. YANG:** First round on Thursday, played bad, and then starting not comfortable, and then after Friday, Saturday, getting better and better, and today, to.
