

**ROUND 2 QUICK QUOTE**  
**August 10, 2024**

**PATRICK RODGERS (-9)**

**Q. Patrick, really solid round of golf today, seven birdies, no bogeys, 63, almost 100 feet worth of putts. Your thoughts on how you played?**

**PATRICK RODGERS:** Yeah, I played really well. I obviously made a lot of putts to like build some momentum and then to keep some momentum going. For example, I parred the par 5 on the back from the middle of the fairway and then rolled in a great probably 12- or 15-footer on 16, the next hole, to kind of feel like you're still going in a positive direction. A couple good par saves and yeah, it was a really solid day. It was definitely gettable, not much breeze, super soft, so it felt like you could go out there and put a good one together.

**Q. We're going to Sunday, which is going to be moving and championship day, we're probably not going to get it in until Monday, but just your thoughts on the grind ahead on Sunday?**

**PATRICK RODGERS:** Yeah, there are probably easier events to play 36 holes than here in Greensboro in August. Yeah, looking forward to the challenge. Hopefully my fitness will pay off tomorrow, but yeah, it's going to be I think helpful mentally just to kind of put your head down and play 36 holes and see how many birdies you can make.

**Q. We're in ACC country. You went to Stanford, they're in the ACC. Has that sunk in yet?**

**PATRICK RODGERS:** Yeah, these are our rivals now I guess here in North Carolina. Yeah, it's a weird one, but it's a great conference for golf and it will be exciting for sports.
