

**ROUND 2 QUICK QUOTE**  
**August 10, 2024**

**ADAM SVENSSON (-7)**

**Q. Adam, so solid round today, good position for the weekend. What's been working well -- or for Sunday. What's been working well for you this week?**

**ADAM SVENSSON:** Been hitting the ball pretty nicely, a lot of quality iron shots that are close, hitting the fairways. A couple wonky shots, but overall I'm happy where I'm sitting.

**Q. How did you spend Thursday with that just washout day?**

**ADAM SVENSSON:** I just kind of chilled in the hotel. It was nice to rest, I feel like I needed it. Just kind of did a little workout and just relaxed, watched some movies and stuff.

**Q. What's one movie you watched?**

**ADAM SVENSSON:** I forget the name of it.

**Q. Comedy or documentary?**

**ADAM SVENSSON:** It was a documentary, but I can't remember the name.

**Q. Did you tweak anything in your game or equipment earlier in the week or any like adjustments or any areas you wanted to work on?**

**ADAM SVENSSON:** Just kind of over the past couple months just doing little things here and there and just kind of, you know, trending, I guess. A lot of trial and error, yeah.

**Q. Do you feel like comfortable with where you stand on the FedExCup or do you feel like urgency to try to make a run to get in the Playoffs?**

**ADAM SVENSSON:** Yeah, I mean, I want to make the Playoffs, for sure. I'm going to try my best tomorrow. If it doesn't happen, it doesn't happen. There's plenty of more events this year that you can somewhat move up in. Yeah, it's all good.

**Q. Did you feel any like urgency today knowing that like you needed to make the cut starting the day around the cutline or did it feel pretty much like any other day?**

**ADAM SVENSSON:** I knew I was playing well, so I knew I was probably going to make the cut. I was hitting it well and putting well. You just kind of know, so I was pretty relaxed and just enjoy the day.

**Q. Do you have good memories here at this course just from past kind of good rounds?**

**ADAM SVENSSON:** Yeah, I think I shot 61 here or something like that, I can't even remember, but yeah, some good golf here.

**Q. What do you like about it?**

**ADAM SVENSSON:** You've got to hit the fairway, you can't play it out of the rough, and greens are extremely fast, you've got to be below the hole. You just kind of have to plot your way around and be patient.

**Q. Any extra like -- does your approach tonight change knowing you have 36 tomorrow? Do you try to sleep a little more or is it pretty much --**

**ADAM SVENSSON:** Yeah, I was going to practice, but just going to go back and just chill. I don't know, maybe do a light workout and just kind of relax.
