

## MAGNIT CHAMPIONSHIP

### ROUND 1 QUOTES

August 15, 2024

#### MAX McGREEVY (-7)

---

**Q. Max, 7 under today. I guess what were some of the highlights out there for you today?**

**MAX McGREEVY:** Just a super solid round. I didn't really have any long par putts or anything that needed to be made. Kind of got off to a good start, gave myself a couple looks, made about a 25-footer on 14 for eagle. That just kind of put me at ease. I just kind of kept trying to hit it to the right parts of the green and give myself opportunities, which I felt like I did. Yeah, was happy to cap it off at the end.

**Q. What's your thoughts on the course and how was it playing out there this afternoon?**

**MAX McGREEVY:** The course is really good. It is tricky. I mean, there's definitely a variance in scores. You can make some bogeys, you can make some doubles. I think you've got to be really smart with start lines, where you're putting the ball on the green, stuff like that. The greens weren't necessarily super quick, it's just if you get it in the wrong spots, it's going to be tricky to get it really close. Yeah, obviously key is to get it in the fairway off the tee.

This course is so beautiful, it kind of shapes your eye -- at least for me, kind of shapes the ball perfectly, what you have to do off the tee box and stuff like that. That always makes it a little bit easier for me when you step up on the tee and kind of know exactly what you have to hit. So yeah, beautiful golf course and it's a fun course to play.

**Q. For you this season, you locked up your card about a month ago now, how have things changed for you in your game or has the mindset shifted for you at all since then?**

**MAX McGREEVY:** Yeah, for sure. I've been -- especially missing the cut last week in Omaha, been pretty frustrated honestly the last month or so. I wouldn't say I've gotten lazier since locking up the card and stuff like that. Maybe I expected it to be just as easy as it's been the rest of the season. Five left here, I'm going to gear back in and make a push as much as I can for that No. 1 spot. Everybody's playing really good golf. I want to be up there these last couple weeks and fight for it. Yeah, just put it all on the line so then I can take my two months off after and enjoy it.

**Q. You've locked up your card before, played on the PGA TOUR. Just how do you feel**

**like going down the stretch there trying to move up the points list, how do you feel like that experience helps you down the stretch in the Finals events?**

**MAX MCGREEVY:** Yeah, for sure. In my rookie year I was 126 going into Wyndham and played my way into the Playoffs my rookie year on Tour. To be honest, I felt pretty at ease that week, too.

I just know that I can kind of pull it out whenever it's needed type of thing. Just super excited for these last five weeks, great golf courses, going to have great competition. Just excited to get back in the mix again and hopefully give myself some more chances.
