K.J. CHOI (-13)

Q. K.J., another really good week. How good do you feel about your game after another good week like this?

K.J. CHOI: This week is a very comfortable in short game and putting, with the iron, too. A little (indiscernible)but in the putting, in the back swing, but I understand the swing so all week. Nice weather, some good fans here. Many old men in the fans here, very comfortable play. Today starting very strong in the start and then seeing fire this week, is a wonderful play. He's a great play. My playing is more better, better. Next time is a more better, too.

Q. And one last question, this course, you played here many, many times for many years. Is there a comfort, are you comfortable? Does that help playing well on a course you're familiar with?

K.J. CHOI: Yeah, (indiscernible) in my tee box and the hitting ball and the tee and then iron shot into (indiscernible,) look great in the greens and usually my shot is wonderful. So continue I play very well.
