

**ROUND 2 QUICK QUOTES**  
September 13, 2024

**LUKE CLANTON (-6)**

**PROCORE**  
CHAMPIONSHIP

**Q. Quickly take us through the round.**

**LUKE CLANTON:** Yeah, it was good. I got -- I'll be honest, I got a little frustrated out there today other than a couple holes, but I hit it probably the best I've hit it in a while. It was -- 4 under was really good but I felt like there was a lot more out there, but me and my caddie did a great job today of kind of staying in the moment and finishing with a birdie-birdie finish is awesome.

**Q. Frustrated with the ball not going in the hole?**

**LUKE CLANTON:** Just more of just a couple shots. I did something I've never done today, I hit a shot two inches, so that was a lot of fun.

**Q. How did that happen?**

**LUKE CLANTON:** I honestly don't really know. I kind of hit it and I looked under and I still saw the ball there and I was like, oh, well, that's pretty nice, and from there it was a grind coming in.

Again it was back of my mind I said can't get too cocky, still can make a couple bogeys coming in, miss the cut.

**Q. What hole did that happen on?**

**LUKE CLANTON:** The flub? 11. Double, quick double there, flew the green.

**Q. Had you short sided yourself?**

**LUKE CLANTON:** Yeah. It was one of those shots where I hit it really good and just one-hopped over. We've had four or five of those this week and something I guess as an amateur I guess I've got to learn a little bit more. I'm still learning every single day and it's just a blessing to be out here.

**Q. And you got your 15th accelerated point by making the cut. You could with a top-10, you get to 16. Can you just sort of talk about that a little bit and inching ever closer to 20?**

**LUKE CLANTON:** Yeah, I mean it's cool for sure. It's an opportunity we have to be out here to be able to play and earn these kind of points and be able to get a card through that was

unbelievable. But I'm pretty simple, man. I'm just trying to stay as in the zone as I can. I'm still trying to play two more rounds of good golf and hopefully maybe be up there on the leaderboard and win.

**Q. Do you feel like you've left a lot out there through 36 holes?**

**LUKE CLANTON:** Yeah, but again I don't really want to be too cocky about it because to be 6 under through two rounds out here is good golf. It's not an easy golf course and there's a lot of tough holes out there, so to be able to do what I did today was pretty awesome.

**Q. Have you watched a lot of people drink wine this week?**

**LUKE CLANTON:** Yeah, my mom and dad. I've just been on the sidelines playing video games and eating nerds, so it's been a lot of fun.

**Q. Playing video games and eating nerds?**

**LUKE CLANTON:** Yeah, I'm still 20, man.

**Q. What's your video game of choice?**

**LUKE CLANTON:** College football. I'm big Ultima team right now. Ultima team, dude. I spend way too much time with that game. It's got to go for a couple weeks but for right now it's been like my go to.

**Q. It's looking better in there than --**

**LUKE CLANTON:** Yeah, yeah, I don't want to say anything on TV, but I'll tell you after, for sure.
