

ROUND 2 QUICK QUOTES
September 13, 2024

MATT KUCHAR (-10)

PROCORE
CHAMPIONSHIP

Q. Matt, good round.

MATT KUCHAR: Yes, thank you.

Q. Can you quickly take us through the round?

MATT KUCHAR: I know I got off to 4 under through five and I can't even tell you what 10 through 14 are. It was a lot of high quality shots, approaches in particular.

I felt like I had a whole lot of three-foot birdie putts, so that was a real bonus. The one blemish is a par 5, was 16 -- 15, the par 5, made bogey there. Thought I hit a pretty good drive, just tugged the left corner too much, caught a tree and down in a bad spot. Other than that, there was a whole lot of really good golf.

Q. You played with Lucas Glover and Stewart Cink. Lucas won twice last year in consecutive weeks, Stewart actually won well into his 40s. When you have a day like today and when you see those guys having done what they did, Vijay, Kenny Perry, there's other guys that have done that, do you think yeah, I still have at least one win in this bag, maybe multiple wins?

MATT KUCHAR: There's certainly the bar has been set by a lot of people still playing great golf late in their 40s, into their 50s.

It's something I don't think too much about. Like I know I'm 46, but I don't see myself as a veteran, I still see myself as a young kid that's excited to go play. Like I love coming out here. I'm kind of bummed that my family's not out here, this is a trip my wife certainly loves to come on but she's got the kids, they're playing a tennis tournament in Greensboro right now. So I'm here solo, staying with some great friends, having a nice week.

But as far as me thinking I still have one. Yeah, I feel like a kid, I feel like I can still win any given week. Maybe places like this maybe suit my game a little better where there's a real premium on driving the ball well. Here is a course that I love, but I know if you're not driving it well it's tough sledding out there. I certainly am pleased with the state of my game at the moment, I'm pleased with the course we're playing and my chances this week. I came here excited and I'm glad it's still working out that way.
