

**ROUND 3 QUICK QUOTES**  
September 14, 2024

**MACKENZIE HUGHES (-13)**

**PROCORE**  
CHAMPIONSHIP

---

**Q. Mackenzie, 66 today, nice round. If we can get some comments on your play.**

**MACKENZIE HUGHES:** Yeah, I was quite pleased with the day. Thought it was a bit tricky this afternoon, a little bit firm, so yeah, anything around where I would have shot was going to be a good round.

I actually, I had a lot of chances. I felt like -- I'm not sure what my strokes gained approach would have been today, but I felt I had a lot of like close looks that I wasn't able to convert. Yeah, made some nice putts and feel like I was in good control today.

**Q. You mentioned like a little bit tougher in terms of firming up a bit. Was it also windy as well or what were the conditions like?**

**MACKENZIE HUGHES:** The wind was a small factor, not anything causing too much trouble, but there was definitely enough to play downwind, into the wind, it was affecting shots. Basically what we've been facing essentially, it's very similar conditions. I'd just say the course is a little firmer than it was Thursday afternoon when I played. That's probably the biggest difference is a little bit firmer.

**Q. Tied for third right now, what's your mindset going to the final round?**

**MACKENZIE HUGHES:** Yeah, I mean, really doesn't change a whole lot. I'm going to keep doing what I can do and try and control that, not try and play the leaderboard too much. Go out there and make some good committed swings and just be committed to what I can control. If I do that, then I think I'll like my chances.
