

ROUND 3 QUICK QUOTES
September 14, 2024

DAVID LIPSKY (-14)

PROCORE
CHAMPIONSHIP

Q. David, you're still in this thing. How would you describe the day?

DAVID LIPSKY: I really didn't have my best today. You know, over the course of a week, days like this happen. Made some really nice putts coming down the stretch and hung in there and kept myself in it and that's all I can ask for when I don't have my A-game from tee to green.

Q. On the PGA TOUR is a lot of it the success, is it just minimizing the damage when you have those days?

DAVID LIPSKY: Yeah, exactly. Everyone has bad days, it's just how bad is it going to be. Especially around the turn, swing just didn't feel as good as it did the past two days and I just battled through it. I was just trying to play safe, trying to make some putts, sort of did that coming down the stretch.

Q. And like tomorrow is it hard not to think ahead about, I don't know, FedExCup points or what this might mean or anything like that, or are you very good by now as a veteran at just being in the moment?

DAVID LIPSKY: Yeah, I think I've played professional golf for long enough to just, you know, understand what I need to do to perform my best tomorrow. Honestly, yeah, the thought of the FedExCup points matters, but I know if I take care of business the way I know I can then it will come on soon.
