

## PURE INSURANCE CHAMPIONSHIP

**ROUND 1 QUOTES**  
**September 20, 2024**

**BOO WEEKLEY (-4)**

**Q. Boo, great round of golf today considering the conditions and everything. Has to feel good to get off to a good start.**

**BOO WEEKLEY:** Yes, it felt good. I actually played really, really well. I hit -- to me, I hit one bad shot and I made my first bogey over there on hole 5 I think it is, or 6. Might have been 5. Yeah, 5, the par 3.

I putted the ball good today for a change and it felt good until the last hole of course, that rattlesnake showed up and three-wiggled it. Other than that, overall it was a great day. It's a beautiful place to play golf. It's not my favorite, but it's a beautiful place.

**Q. Absolutely. Talk to me about your First Tee partner as well, how's she doing?**

**BOO WEEKLEY:** Oh, she's good. My, she's -- Kaylie, she's really, it's impressive. She was nervous coming out of the gate, but then she opened up a little bit. Once she got going, I mean, she birdied 1, which is our 10th hole, but it was fun to be able to watch her hit it and try to help her a little bit because she kept coming up short. You know, hey, it's chilly out here, the wind, the ball's just not going as far, so kind of got to add about five to seven yards to it.

**Q. We have a few tournaments left, obviously still in this tournament as well, but did you have any goals with the few tournaments left going in playoff season?**

**BOO WEEKLEY:** My whole thing is I just want to make it to the Playoffs. I still know I'm not 100 percent of what I'm trying to do and where I'm going with it yet. I've been struggling with some club issues. Other than that, just like I said, I just want to make the Playoffs and if I can make the Playoffs, I feel like, all right, I accomplished one goal and I can work my way through it.
