

ROUND 2 QUOTES
October 19, 2024

KEN DUKE (-9)

Q. Looks like you're going to have the lead going into tomorrow. What is it about this golf course that fits your eye?

KEN DUKE: You've got to drive it in the fairway and I do that, but I have to birdie the par 5s. Have to. These guys hit it too long for me. I think I got three of 'em today and three yesterday and that's a bonus. Just par some of the tough ones. You've got to play the par 3s, they're very difficult as well.

So I missed a short one on 17. Besides that, I played really solid the whole day.

Q. Do you have any extra motivation going into next week, hometown event, kind of just get another win?

KEN DUKE: Yeah, it's just going to be amazing for me. I just try to play hard every single week and it just so happens the Simmons Bank Championship's next week and it would be nice to go in there finishing well here. Really excited about that event and really looking forward to it.

Q. A win here this week for you -- it's been a good year, hasn't been a great year -- what would that mean to you?

KEN DUKE: Just all the hard work we put in, to say you can do it again. Sometimes you win just one time, it's a fluke. But we're consistent players and we just want to show that we can play out here as much as we can and just enjoy the ride more than anything. I enjoy it. I'm not going to be out here forever, but to get another win would be really nice.
