

ROUND 1 QUICK QUOTES
October 24, 2024

TAYLOR MOORE (-7)

Q. Taylor, how would you assess that round today?

TAYLOR MOORE: I'd say just very solid overall. You know, did a pretty good job hitting fairways and greens for the most part. Yeah, couple chip-ins as well, which always helps. Yeah, overall, very solid.

Q. What's your strategy this fall? How do you view the FedExCup Fall this year? Are you trying to get as many starts as you can?

TAYLOR MOORE: Yeah, I think so, just try to give myself maybe a handful of starts and obviously work my way into the top 60. Finished just outside of the top 50 in the regular season, so just trying to play my way into that top 60 to get in the first couple elevated going into next year.

Q. Can you take us through that eagle? Was the eagle on 18 or 9?

TAYLOR MOORE: It was 18, yeah, my ninth hole.

Q. Take us through that.

TAYLOR MOORE: Hit a good 3-wood off the tee. We had 5-iron in. I just missed the green short left in a good spot. I had plenty of green to work with. Hit a nice chip and it went in.

Q. What do you think of the course? How are the conditions out there today?

TAYLOR MOORE: It's great. This is my third time here, I'd say it's probably the best shape it's been in overall tee to green. Greens are fast, they've got a lot of undulation especially on that back nine. I think it's in really good shape.

Q. Do you enjoy it out here in Japan?

TAYLOR MOORE: I do, yeah. Food's awesome, people are great. It's been a fun trip for me. And my fiancée's here with me this week, so we really like it.
