

**ROUND 3 QUICK QUOTES**  
**October 26, 2024**

**KEVIN YU (-11)**

---

**Q. Kevin, just talk about your day, 4 under. How would you assess that round?**

**KEVIN YU:** Today was a pretty solid day, driving the ball pretty nice. Obviously a few second shots I didn't hit it that well, but was able to get some up-and-downs, but still missed like one. But I think overall it was a solid day. Just get the putter going, have a good chance for tomorrow.

**Q. Two birdies in the last three holes is always nice to end the day, isn't it?**

**KEVIN YU:** Oh, yeah, definitely. I missed a birdie putt on 15, I think like a three-footer, kind of killed me a little bit. Obviously the birdie on 16 was huge and then birdieing 18 was big, too. Give me a little momentum going into tomorrow so I've just got to keep it going.

**Q. Four shots off the lead right now. Thoughts about tomorrow? Do you change how you play? Do you attack?**

**KEVIN YU:** I think still pretty much the same. I feel like strategy this week has been pretty good and just I feel like this course, you can hit fairways and if the putting is going, I think it has a good chance. A lot of fairways and greens tomorrow and hopefully the putter gets hot and hopefully have a good finish.
