

**ROUND 4 QUICK QUOTES**  
**October 27, 2024**

**NICO ECHAVARRIA ( -20)**

---

**Q. Nico, you began the day with a two-shot lead, looked extremely calm all day. How were the nerves?**

**NICO ECHAVARRIA:** They were fine. I managed it well. I took a lot from that and just kept myself calm. It was very fun, that was a lot of fun with these two guys battling it out and here we go.

**Q. You when you won in Puerto Rico, you said the win proved to yourself that you were better than what you thought. What does this second one do?**

**NICO ECHAVARRIA:** Proving a little more now. I'm just super excited. It's been a lot of work, it's been a lot of rough weeks, but moments like this are the ones that make everything better.

**Q. You were the 292nd ranked player in the field, a very, very strong field. How much does this add to your confidence as you continue on in your career?**

**NICO ECHAVARRIA:** A lot. It's the second win on the PGA TOUR, not a lot of people get to win two times on the PGA TOUR. I'm just going to enjoy this as much as I can and get ready for the next one.

**Q. Nico, congratulations, what a performance this week. You had a two-shot lead going into today over Justin Thomas. How nervous were you out there today?**

**NICO ECHAVARRIA:** I was very nervous starting, but I managed it well. I made a lot of key putts out there. I only had one bad swing all day. Other than that I played a lot of good golf, so I'm happy to finish the way I did.

**Q. You led the field in putting this week. Anything change from the week prior?**

**NICO ECHAVARRIA:** New grip this week, that was the difference. Yeah, I consider myself a good putter, I just needed something different. These greens are rolling so good that it wasn't very hard to make a lot of putts.

**Q. How are you going to celebrate your win tonight?**

**NICO ECHAVARRIA:** I don't know. I didn't get much to celebrate in Puerto Rico, I think we're going to go a little stronger tonight and enjoy it here in Japan
