

ROUND 4 QUICK QUOTES
October 27, 2024

SI WOO KIM (-13)

Q. Six under today, great round. Can you just talk about what it was like playing here (inaudible) today?

SI WOO KIM: Yeah, after Presidents Cup I had three weeks off. I didn't practice much, I didn't play much, so first couple days feel a little bit weird, but after Friday kind of feel better and then get used to it. So Saturday -- I was thinking after Friday like I can go maybe, if I shot 12 under on the weekend should be in a good place, so I did it, I told my caddie at the last hole, so I was happy.

Q. If the leaderboard stays the same, this will be your third top-10 this season. What does that mean for you and what do the next few months look like for you?

SI WOO KIM: Yeah, this is my last event for the year, so have to finish top 10 and then I can get like two months off with a great feeling. Yeah, a good week. Always enjoy in Japan and looking forward to next year.
