**Q. I'm here with, could you say it correctly for me?**

**ROCIO TEJEDO:** Rocio Tejedo.

**Q. Tejedo, perfect. How do you feel like you played today?**

**ROCIO TEJEDO:** I played really good, very solid, but I didn't putt as well as I wanted, but really happy with my round.

**Q. What kind of mindset do you have to get into tonight to be able to putt better tomorrow?**

**ROCIO TEJEDO:** Just doing what I'm doing. I think it's more trying to read the putts better. It's very difficult here, bermudagrass and the greens are very firm, but same mentality.

**Q. What does it mean to you as a freshman to play at a course like East Lake?**

**ROCIO TEJEDO:** Obviously it's such an honor being here because I've been watching the scores on TV for a long time. I'm enjoying the views, every single shot, the conditions are amazing. I think it's such an honor.
