

East Lake Cup Men – Match Play
October 30, 2024

PATRICK McCANN
Florida State

Q. So third day here at East Lake. How did you feel like you played this week overall?

PATRICK McCANN: Yeah, I felt like I played well. Had a tough go at it yesterday, but Ryan's a great player and he deserved to win the match. Just happy I could walk away 1-1 this week, getting it done today.

Q. Eagle on 17, you obviously had the hole-in-one the first day here. What's allowed you to shoot some low scores out here?

PATRICK McCANN: A little bit of luck, but a lot of belief in myself knowing that I can hit all the shots, and a lot of practice.

Q. Obviously yesterday a tough day for you. Did you feel good about bouncing back today? What does that do for your momentum heading out of the fall season?

PATRICK McCANN: Yeah, today was great to see a win. I didn't play at all this fall, so it was great to come here, play against some good players and show myself that I belong and I know what I can do.

Q. Yeah, and do you think your success here this week is going to carry forward for the rest of the year of spring kicks up?

PATRICK McCANN: Yeah, of course. It's good to build on something like this going into the offseason. Put my head down and keep working.
