

ROUND 2 QUICK QUOTES
November 8, 2024

BEAU HOSSLER (-5)

(Hole-in-one video played.)

Q. And that's your first one hole-in-one, right?

BEAU HOSSLER: Oh, no, no, I've had a lot of holes in one. That was my second on Tour. I made one last year at Barracuda, but it wasn't on film. So I guess it was the first one on camera.

Q. Well, now you have video proof of it.

BEAU HOSSLER: Yeah, there you go. Confirmed, it went in.

Q. What were your emotions when that walk, a minute and a half, were you just kind of like oh, whatever, or this will be really cool?

BEAU HOSSLER: I mean, it's cool. I mean, you're kind of just grinding trying to make the cut. I played so poorly yesterday that I was trying not to get too high or too low and just kind of grind it out. Even this golf course with not too much wind can be pretty tricky and weird stuff can happen. I was more excited about the 2 under par on the hole than necessarily making an ace.

Q. You had a really good round today, obviously you said you played poor yesterday, what was the difference?

BEAU HOSSLER: The conditions were really difficult yesterday and I made a mess of hole 14, the par 5, I made an 8. It was hard to make birdies and come back from that. I guess held it together well enough to give myself a chance today and fortunately I played really well. And I got a couple bad breaks on the last hole to make a six, which was unfortunate. Aside from that, I played some really nice golf.

Q. And you have somebody interesting on your bag this week.

BEAU HOSSLER: Yeah, my friend Taylor Wood. This is kind of his annual celebrity caddie week. He's a good player in his own right. It's a fun time for us. I've kind of grown up with him and we have a really nice time on the golf course.

Q. Are you guys going to do anything fun or just play golf?

BEAU HOSSLER: I don't know if anyone's doing the food and bev better than we are.

We've eaten really well this week and I think we have another one planned for tonight.
