

ROUND 2 QUICK QUOTES
November 8, 2024

CARSON YOUNG (-11)

Q. Carson, congratulations on your round today, your low on Tour as well as tying the tournament record. Can you talk a little bit about your round today?

CARSON YOUNG: Yeah, it was just a pretty fun round, everything came pretty easy. I drove it great, hit a lot of really good iron shots. All my birdies it seemed like were inside like 10 or 15 feet. I played good, I did everything really good today, so it was a lot of fun. Just hoping to keep it going and looking forward to the weekend.

Q. What do you think was the difference in your game yesterday to today or was it the course and the weather?

CARSON YOUNG: Yeah, the weather definitely helps. Less wind out of a slightly different direction made the course a little bit easier, was able to reach some par 5s or get closer up to them. Other than that, I just was hitting it good and it just came to me today. The putter got hot yesterday. I didn't make many putts, a lot of that is with the wind, reading the putt and then having to read the wind with the putt, it was a little bit of a challenge for me. But I felt like I was hitting good putts, so I just stuck with that mindset and they started dropping today.

Q. You had a couple great finishes in the fall, T-11, T-37 here, two weeks ago at ZOZO. Can you talk a little bit about what it means to play well in the fall?

CARSON YOUNG: Yeah, for a guy like me it means a lot because I'm fighting to kind of keep my card, so the fall's important and it's a good opportunity to win a golf tournament. A lot of the bigger guys here in the top 60 kind of skip these events so it's a good chance to get your name out there and play some good golf and that's what I'm trying to do.

Q. What's on the docket for tonight? Are you going to practice some more? What are you going to do to just get ready for tomorrow?

CARSON YOUNG: I'm not going to practice any more. I'm going to go back to the room and I'm going to have dinner with Aaron Baddeley and Wesley Brian. We did that last night, so Aaron decided let's run it back.

Q. And who do the Tigers have this week?

CARSON YOUNG: Don't even know, don't even know.

Q. Just concentrate on the tournament?

CARSON YOUNG: Yeah. That's pretty bad.
