

ROUND 3 QUICK QUOTES
November 9, 2024

AUSTIN ECKROAT (-15)

Q. Austin, great round today, bogey free. Can you take us through it a little bit?

AUSTIN ECKROAT: Yeah, I got off to a good start birdieing the first two holes, got my feet under me. It was a really simple day throughout the whole round. Didn't have to grind on too many pars out there, so it was a good day all around. Hoping for the same tomorrow.

Q. What do you do tonight to get ready for tomorrow?

AUSTIN ECKROAT: Play some more video games. That's how I kind of take my mind off things, you can't think about anything else. I'll get back, eat some food and play some video games.

Q. What video games do you like to play?

AUSTIN ECKROAT: They came out with a new Call of Duty, that's been my obsession of recent. It always changes, but that's the one right now.

Q. What would a win mean to you heading into the 2025 season?

AUSTIN ECKROAT: I think it could kind of validate the win I had earlier this season. Obviously that was huge for my career. Winning twice is really special because it means you really can do it. Yeah, just good confidence going into next season.
