

**ROUND 4 QUICK QUOTES**  
November 10, 2024

**RICHARD GREEN (-17)**

---

**Q. Richard, great playing. The putt on the last, what was going through your head?**

**RICHARD GREEN:** Hodgie just said to me, my caddie, just watch the ball roll into the hole and let it go. I could see that it was left to right and I just sent it down that line and just went perfectly. The last couple of feet out I said this is looking pretty good, so very happy.

**Q. Great putt. You're still looking for that first win on the PGA TOUR Champions, in contention that second nine today and you put on a display. What was your approach?**

**RICHARD GREEN:** It was a little hard getting going early, but once I sort of got the momentum on my side a little bit sort of the back nine, it was just a matter of making the right decisions and playing my game as good as I possibly could and trying to execute the shots needed. We had a couple opportunities that I even felt let slip, but still really nice to finish the way I did.
