

ROUND 4 QUICK QUOTES
November 10, 2024

MAX GREYSERMAN (-22)

Q. Max, great week. Can you talk a little bit about what you learned about your game, about yourself and these last couple of weeks? You've been playing so well.

MAX GREYSERMAN: Yeah, I've been playing some really solid golf, but need to play better golf, so that's kind of the moral of the story. But good is good to finish near the lead, but not good enough to win so I need to play better.

Q. What do you think you need to improve on?

MAX GREYSERMAN: I think I need to hit a little better, give myself maybe a little better opportunities closer to the hole. I've been putting pretty well, but it just needs to be a little bit better. That's the moral of the story, it just needs to be a little bit better. So not far off from a win and hopefully it will come soon next year.

Q. What's next for you?

MAX GREYSERMAN: Maui. Yeah, this is the last one and got like a month and a half off, I think. I'm going to stay here in Cabo for a few days and I've got to go to a friend's wedding next weekend, then off for maybe two weeks. Then December rolls around, I'll be right back in it.

Q. Are you going to play next week or do you think you're going to be able to take time off and not have the itch?

MAX GREYSERMAN: No, I'm just tired. I've only played two events in the fall and I'm still tired. Yeah, just another solid week and did a lot of good things, but just players are so good out here, right? Sunday 65s are not good enough unless you have like a four-shot lead going into the last day. Hopefully that will come soon.
