

ROUND 4 QUICK QUOTES
November 10, 2024

CARSON YOUNG (-22)

Q. Carson, great round today. Looking at your scorecard, barred, one bogey. Talk a little about it and what you saw out there.

CARSON YOUNG: Yeah, I played really good today, I hit a bunch of good iron shots, especially on the back nine. I shot 7 under so I played good, I can't be too mad about it. Obviously I didn't win and congrats to Austin for that, that was one hell of a round today. I just missed a few six-, eight-foot putts coming down the stretch on the back nine and that seemed to be the difference there. Other than that, I played really good, just didn't quite feel it with the putter today. All my birdies were pretty close, tap-ins or inside six or seven feet.

Q. This is your first runner-up finish. What do you like about your game right now? How are you feeling heading into the last two weeks of the season?

CARSON YOUNG: Yeah, I'm swing it really nicely right now, my iron game just feels maybe the best it's been all year. My putting's been solid for me, it's been on the trend. Other than that, I mean, everything's about normal and I've just been playing some good golf lately, so it's fun.

Q. And what are the goals for the next two weeks?

CARSON YOUNG: Go down to Bermuda and see if I can win it since I'm playing good right now, I'm in good form. Just another opportunity. And then I'll go to Sea Island with some family and friends that are nearby since I'm not too far away, so that will be a fun last event. Yeah, this just gives me a lot of confidence going forward for the next two events and see if I can get it done then.
