RAFAEL CAMPOS (-19)

Q. With a very emotional Rafa Camps, talk us through this week. What a week it's been.

RAFAEL CAMPOS: It's been an unbelievable week, best week of my life. After such a bad year, to have things kind of go my way, everything together at once, I'm just so happy and grateful to have the support I do. My team, my coaches, my sponsors, my family. My caddie did a great job today. I just can't believe this is actually happening to me after such a year. I'm just grateful to be able to call myself a PGA Tour champion. It's something I've dreamt about all my life. I just want to call my family.

Q. Well, you get to do that in a minute. What have you learned through all the journey to get you to this point? Did you ever have any doubt that you would be standing here?

RAFAEL CAMPOS: This year I have, I really have. It's been such a bad year ball-striking wise. I still believed in myself, know my support team always believed in me. This game is so hard when things aren't going well, so hard to actually get yourself to be confident. Things have just been so different this week. I just don't know, I'm just so grateful to be able to finish atop the leaderboard
