

ROUND 2 QUICK QUOTES
November 22, 2024

MICHAEL THORBJORSEN (-9)

Q. Michael, 1 under par today, if we can get some comments on your round.

MICHAEL THORBJORSEN: Yeah, it's definitely a little different than how it played yesterday, but kind of knew you've got to expect it playing the other course, definitely more exposed to the wind. It was windier today, it was colder as well, so it was definitely a grind. Hit some good shots, hit some bad shots, but just kind of got to take it all. Putted really well today and that's kind of what saved my score, but I think it's going to be a little less windy this weekend, so looking forward to that.

Q. T-3 right now, so how excited are you for the weekend?

MICHAEL THORBJORSEN: Oh, I feel good, yeah. Get to play more golf, that's always great. Seaside I feel like is an unbelievable golf course, really have to play well and play smart out there and it's going to play different every single day depending on wind direction and how much it's blowing.

Q. Projected 117 right now in the FedExCup, how much are you thinking about that?

MICHAEL THORBJORSEN: I'm not thinking about it at all, I'm just trying to play some good golf this weekend.
