

**ROUND 4 QUICK QUOTES**  
**November 24, 2024**

**LUKE CLANTON (-15)**

---

**Q. Luke, so another great week out here, one short of the win, but what will you take away from this week?**

**LUKE CLANTON:** Yeah, it was another good week. It's hard, man. It's a hard loss, for sure. I think God's given me a great talent and to be out here in general, just to be in contention again, it's awesome.

It's going to be a tough one to definitely take, for sure, after bogeying the last, but I think it's proven to me that out here I can win, so I'll be training for that.

**Q. What was the key to your good play throughout the week overall? What allowed you to get back in contention?**

**LUKE CLANTON:** Just mentality again, I just stayed in it the whole way. Just one short. I think again my game's there, mind's there, God's good so everything's good.

**Q. How much of a focus -- you get another PGA TOUR U point, trying to get to that 20, how much of a focus is that in your long-term plan?**

**LUKE CLANTON:** Really not at all. I'm trying to win, that's it. I think it's a great system, of course, to have this opportunity to give us our card and it's amazing. Again, I think every time we step out here, the one goal we have is to win. I think PGA TOUR U's been a great opportunity for all of us as college players who have these kind of talents and go pro sooner, so it's awesome.

**Q. What do you think you'll remember most from just this whole year of competing on the PGA TOUR as an amateur and having some good success?**

**LUKE CLANTON:** God's good, that's it. Simple as that, God is good and he's given me these talents and this passion that I have.

**Q. Do you have a favorite moment from this week?**

**LUKE CLANTON:** Probably making that last putt on 18, so it was cool. The support's been absolutely crazy from everyone and it's been awesome.
