

## ROUND 4 QUICK QUOTES

November 24, 2024

**J.T. POSTON ( -14)**

**Q. J.T., 7-under 63, excellent finish. If we can get some comments on your round.**

**J.T. POSTON:** Yeah, it was solid all day. I think we hit every green in regulation, which is always nice, pretty stress free. These greens I've historically had a hard time making some putts I feel like and today just was able to make a bunch, which was nice. Nice to finish off the year with a good one.

**Q. Yeah, talk a little bit about that confidence that you have right now with these last couple events and how well you're playing right now.**

**J.T. POSTON:** Yeah, I've been working hard on the game and it's nice to see the results. It's definitely nice to end the year with a win in Vegas and a good finish here, especially a good weekend. I definitely feel like I've got a lot of momentum going into next year and we'll play the Grant Thornton here in a few weeks to keep the game sharp. Yeah, just excited about 2025.

**Q. Are you one that sets goals for the following season and will you think about those? And also speaking of that, what are your plans over the next month and a half other than Grant Thornton?**

**J.T. POSTON:** Yeah, definitely one to set goals kind of ranging from just my own personal game and then obviously some finishes and big tournaments and I want to be on those Ryder Cup, Presidents Cup teams. Those are kind of the goals that I have for myself.

I would say as far as the offseason, we'll kind of do what we've been doing most of this fall, which was we took a nice break and put the clubs away for a little bit and then spent some time in the gym trying to improve there. For the most part, just kind of enjoy the downtime at home when we have it and we'll get the game sharp before the end of the year.
