

**ROUND 4 QUICK QUOTES**  
**December 8, 2024**

**AKSHAY BHATIA ( -15)**

---

**Q. Akshay, pretty happy with your performance, first time here, looks like you're going to finish top-5. How do you feel about that?**

**AKSHAY BHATIA:** Yeah, solid week. You know, a lot of testing this week for equipment-wise. Some fine tuning to do. You know, I just got to do a little better on Saturday. Obviously playing with Scottie is very different. I've done it a couple times, but I just need to get off to a better start than what I did yesterday.

**Q. Got a little squirrely there sort of the end of the front nine, but you brought it home on the back nine. Talk us through that front nine a little bit.**

**AKSHAY BHATIA:** Yeah, I got a couple putts to fall. I made a really nice one on the par 3, I think 13 or 12, nice up-and-down on 14, great shot on 15 for eagle. Then yeah, I thought I made the putt on the last, but yeah, just kind of a little bit of momentum and it was nice to finish that way.

**Q. What do you take out of the experience here this week in the Bahamas heading into that Christmas break and the new year?**

**AKSHAY BHATIA:** Yeah, like I said, it's such a pleasure to be here. Being one of 20 guys and being invite only based on world ranking or a couple sponsor invites, it's amazing. Like I said, with Hero being an Indian company, Dr. Munjal and Tiger and what they do for this event but also kids around the world is really inspiring. You know, I'm really happy I was able to participate.
