

APGA TOUR AT THE FARMERS INSURANCE OPEN
January 25, 2025

JOHN BAPTISTE HAKIZIMANA

Q. You're one stroke behind the leader. How do you feel about having a great round going into tomorrow?

JOHN BAPTISTE HAKIZIMANA: I'm feeling great, looking forward to tomorrow. So today was tough but I tried to manage to stay focused and show that one shot at a time. I think I'm going to keep the same routine and see what happens.

Q. What do you think worked well for you out there today and what were you struggling with?

JOHN BAPTISTE HAKIZIMANA: I was good from the tee, but I was struggling with my long irons today. My putting when I started, I think the first few holes the putts were not dropping. After the sixth hole I figured out something and I dropped some putts. And my short game, my chipping is on point. So now looking forward to tomorrow.

Q. So you would say your putting was kind of -- the way you changed because of the first nine you did three bogeys and then you turned it into three birdies at the end there. So you would say your putting was working well for you?

JOHN BAPTISTE HAKIZIMANA: Yeah, I figured out some and I tried to keep that routine and trust it.

Also, my caddie, which is my brother, was doing an amazing job reading the greens and we keep committed and so now we're looking forward to tomorrow.
