

ROUND 4 QUICK QUOTES
January 25, 2025

SUNGJAE IM (-5)

Q. Sungjae, good performance this week. Do you think that your experience out here this week will give you more confidence heading into Genesis since it's back here?

SUNGJAE IM: I have a good memory here. I played well here for the couple times and then this course, the long game is important and then I think I have pretty good long game. So I think Genesis week, having here for Genesis, so I think I more confident out here, yes.

Q. Sungjae, solo third at the Sentry a few weeks ago and now looks like another good finish. It's got to feel pretty good to start the year with two solid finishes.

SUNGJAE IM: I have pretty good start compared to last year, so even top-10 is not easy, but I did two top-5 for this week, so I think I had pretty good start for the year. I want to just keep this going to the end of the season.
