

ROUND 4 QUICK QUOTES
January 25, 2025

ANDREW NOVAK (-6)

Q. Andrew, hard fought out there today, unfortunately not your day. Just talk us through your round.

ANDREW NOVAK: Yeah, it was just chaos early. A couple soft bogeys on the first two holes, just bad tee shot on 1 and just sloppy on 2. Then all of a sudden that birdie on 3 with that pin and wind was, I mean, lucky but awesome.

Played 4 great. Then that putt on 5, I could hit that a hundred times and not even sniff the hole again, just crazy. It was just a rollercoaster on that front nine. Finally got it settled in on the back, but just wasn't hanging approach shots close enough to give myself birdie opportunities.

Q. What positives do you take from a week like this?

ANDREW NOVAK: Yeah, I played great on a very tough golf course. I mean, you couldn't really fake it around this place. Definitely happy with where my game's at. Hopefully I'm back here again in three weeks. I like a tough golf course. Definitely positives to take from this week even though it's not the win that I wanted.

Q. Aon Swing 5 will have you in at Pebble next week. Talk about just the challenge of Pebble and quick turnaround getting over there.

ANDREW NOVAK: I was already planning on being up there, I was in the field from my finish in the fall. I've been looking forward to that. It's been a couple years since I've gotten to play that event. I'm excited to play Pebble, it's probably one of my favorite courses on Tour. It's so beautiful out there. I know it's going to be a challenge, Spyglass is a tough golf course and it's going to be a good field, so I'm excited.

Q. Might need a little more time to really reflect on this, but obviously in that final group today, Harris English was steady throughout. What do you learn from watching a guy who's won on Tour a couple times seal the deal again?

ANDREW NOVAK: Yeah, he played it perfectly. When he was not in prime position off the tee, he was getting himself back in position. He was making the putts he needed to make, he was hitting a lot of good wedge shots and he did what you have to do around here.

I had a few opportunities coming down the stretch with my wedges in my hand, I just wasn't able to execute as well as he did. He definitely, he went out there and earned it.
