

ROUND 2 QUOTES
February 7, 2025

MIGUEL ANGEL JIMENEZ (-7)

Q. All right, Miguel, currently top of the leaderboard, tied for the lead heading into tomorrow. Take me through today's round and that last putt.

MIGUEL ANGEL JIMENEZ: Well, it was a very nice round, played very well today. I make -- (indiscernible) for birdie, myself and make two bogeys. Then 4 under today, played very solid. The last putt, left-to-right putt, two holes break (indiscernible) was a very good putt, yeah.

Q. Miguel, it's been a couple years since your last victory. Is there anything left to prove to you?

MIGUEL ANGEL JIMENEZ: Prove to you what?

Q. To win again.

MIGUEL ANGEL JIMENEZ: I would love to. It's one more round, Steve's playing very well. I played with him yesterday, he's a very solid player. A few guys there, Carlos also won last year here. OK, I've been playing well, I have to focus on myself and let anything happens. Respect the other players because (indiscernible) my best. I've been hitting solid and playing very well and I hope tomorrow I can finish up there.

Q. Can you tell us about your experience here in Morocco and with this tournament in general?

MIGUEL ANGEL JIMENEZ: Well, I've been playing very well in the three years I've been playing on the Champions. I finished well and when I've been playing well also and I hope tomorrow I'm going to keep doing this way and get the title. We'll see.

Q. Miguel, on Sunday -- on Saturday, excuse me, in Hualalai you closed well, played a very long Saturday. What's been clicking with your game?

MIGUEL ANGEL JIMENEZ: My game, I have to say I've got back Cliffy on the bag, that is also very helpful. He's -- we've been working for 10 years and he had two years off. He's very helpful on the bag and also helpful in practice. The more important thing, one of the more important thing, you need to be happy on the golf course with the team you have. Now that I have back to Cliffy has helped me a lot, I have to say that and the combination, like we've been for 10 years and we make a nice combination out here.

Q. Susanna said something to me on Saturday in Hualalai that the family's back

together again. Is that what you --

MIGUEL ANGEL JIMENEZ: Yeah, (indiscernible) said, oh, the dream team coming back.

Q. What does Cliffy mean to you?

MIGUEL ANGEL JIMENEZ: A lot. We've been together since 2012 when he start working for me, been for 10 year with me. Then coming back, for 10 year we have a lot of victories together and things and a lot of fun and enjoy it. That is the main thing. You need to be comfortable with the people around, feel confident, trust in him and that is very important.
