

**ROUND 2 QUICK QUOTES**  
**February 21, 2025**

**BRIAN CAMPBELL** (-12)

---

**Q. Back-to-back rounds of 65, how are you feeling heading into the weekend?**

**BRIAN CAMPBELL:** Feeling pretty good. Didn't expect to be where I am now but really just putting one foot in front of the other and trusting my game, hitting fairways, hitting greens and just trying to get in the right spots.

**Q. Where are you feeling most confident in your game?**

**BRIAN CAMPBELL:** Distance control, I think my iron play feels comfortable, driver's starting to feel a lot better and I'm really starting to see the reads on the greens as the week goes on, so that's exciting.

**Q. Has driver been something you've been in particular working on?**

**BRIAN CAMPBELL:** Yeah, I haven't felt like I've had my full strength in a while. It's the longest club in the bag and it's going to take some time to get back on track with that, but it's feeling a lot better.

**Q. Any birdies or shots stick out in particular on the round today?**

**BRIAN CAMPBELL:** Oh, I mean, hole 2, one-hop dunked it from 150 yards out to start the round, so that was fun.

**Q. Being in the mix on the weekend, what's kind of mindset with that?**

**BRIAN CAMPBELL:** I think just do the same thing we have been doing, stay aggressive to our targets, stick to our game plan and stick to our process.

**Q. Past roommate with Jake Knapp?**

**BRIAN CAMPBELL:** That's right.

**Q. Did you talk about tournament? He obviously was master of this course last year.**

**BRIAN CAMPBELL:** Yeah, I didn't get a chance to ask him a lot about the course, but I asked him where to stay on site, where the most comfortable would be, and he said the place I was staying is just fine, so it was good.

**Q. First made cut on the Tour?**

**BRIAN CAMPBELL:** No. I had my card back in '17, '18, made the cut in Palm Springs also, but we'll take this one, too.
