

ROUND 2 QUICK QUOTES
February 21, 2025

MAX McGREEVY (-3)

Q. Nice round today, 6 under, battling the cutline. Tell me how it went today.

MAX McGREEVY: Yeah, just pretty solid. I guess it was solid. It wasn't very solid, it was all over the place. Just grinded it out. Hasn't been obviously the best start to the year, swing hasn't felt great but was able to kind of put it all together today and just get it in the house. Hopefully it's enough.

Q. It's always nice when it's bogey free in a round highlighted by that eagle. Walk me through the eagle there.

MAX McGREEVY: Yeah, not kind of the shot that was feeling comfortable at the moment, kind of a left-to-right wind, couldn't miss right, couldn't really miss left either. Just kind of hit a really good 3-wood in there to 15, 18 feet right of it. Saw Ryan Gerard make like a 40-footer for eagle right ahead of me, so it was just kind of exuded a little more confidence or something and yeah, rolled it in right after him, which was nice.

Q. Are you someone normally in round you're a leaderboard watcher? Were you talking cutline with your caddie?

MAX McGREEVY: I kind of had a general idea. I mean, I knew I at least needed to get to 3. Hopefully 3's all I needed.

But yeah, all I was trying to do was give myself a chance. Shooting 3 over par the first round, I mean, to be honest, all I was looking to do was just get some good momentum going into next week. If that's the case and I don't play the weekend, it is what it is. To finally shoot a low round out here this year is just good confidence moving forward regardless of if we play this weekend or not.
