

ROUND 2 QUICK QUOTES
February 21, 2025

AARON RAI (-11)

Q. How good was this round?

AARON RAI: Yeah, it was really good. Drove it nicely, put ourselves in good positions and the approach shots, as you said, had a lot of opportunities. It was nice to make a couple putts there towards the end to finish it off. Yeah, really pleased with that round overall.

Q. Take us through the tee shot at 7. What did you use and what were you visualizing there?

AARON RAI: So I think it was 282 front, 312-ish back. Just tried to flatten the flight, pitch it around the front edge just to control the line more than anything else. Came off really well, started just right of the pin and yeah, it rolled out perfectly and left a pretty straightforward putt. It was pretty straight uphill into the grain, so yeah, it was a great opportunity.

Q. This is, what, I think your fourth time playing in this event? How do you kill time here in the afternoon? Do you try to enjoy a lot of Mexico or do you just hang around the hotel?

AARON RAI: Probably do a little bit of practice, a little bit of stretching, recovery. The resort here is fantastic, a nice kind of beachfront, couple nice restaurants, so I'll spend a little bit of time probably this evening probably hanging out, relaxing.
